Bob Hansen  
Seattle City Light  
1015 Third Avenue  
Seattle, WA 98104

Dear Mr. Hansen:

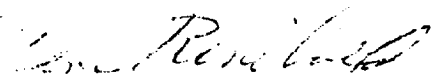

Please ship the chemical by common carrier. We suggest Garret Freightlines to Mountain Home and transfer to Samson to final destination.

Please pay the freight separately and we will bill you for the disposal @ .035 per pound. I suggest you describe the material on your bill of lading as waste material for disposal only, containing PCB.

Thank you.

Sincerely,

WES-CON, INC.
